

2024 Kansas Child Support Calculator Updates

All Maintenance releases are accumulative – this means that the update includes the new changes in the current release AND all changes made in previous releases. Ex: MR6 includes all features released in MR 3, 4, &5 as well as MR6.

MR 9 – released 10/10/2024

- Changed label on line E.3 when the Direct Expense Formula is used to reference Line D.4 instead of Line D.5 to reduce confusion and to match the instructions in the Administrative Order, which refer to line D.4 (even though the amount used is the same in either case)

MR 8 – released 8/29/2024

- Fixed issue with enforcement fee calculation

MR 7 – released 8/28/2024

- Fixed issue with built-in auto-update notification
- Fixed issue with suggested parenting time adjustment amounts

MR 6 – released 8/21/2024

- Updated for Administrative order 2024-RL-073

MR 5 – released 8/8/2024

- Fixed registration issue
- Fixed calculation issue on Line L: Net Parental Child Support Obligation

MR 4 – released 8/6/2024

- Updated for Administrative Order 2024-RL-068

MR 3 – released 7/31/2024

- Updated for Administrative Order 2024-RL-062 (update to Child Support Guidelines), effective 8/1/2024

MR 2 – released 4/10/2024

- Fixed a page layout issue with the equal parenting time worksheet

MR 1 – released 1/24/2024

- Updated the poverty guidelines to the 2024 updated values

- Updated the extended formulas to account for an error in the schedules that was fixed by the court
